

A TEACHING, LEARNING, LEADING CAMPAIGN

PSADA FOUNDATION

The PSADA Foundation Campaign is all about who we are and what defines us as an organization—teaching, learning and leading! Your contribution will help to establish an endowment that will financially support programs for student-athletes, coaches and athletic administrators for years to come.

Be part of your future by building a legacy of professional excellence for our own student-athletes, coaches and athletic administrators.

Your gift to the “PSADA FOUNDATION” will support the following programs:

- Student-Athlete Scholarships
- Student Leadership Training
- Coaching Education
- Urban and Rural Outreach for Athletic Directors
- New Athletic Director Mentorship

THE VISION OF PSADA is to be recognized as the premier association in teaching, learning and leading for athletic administrators in the nation.

Yes, I want to help promote scholarship and leadership with PSADA with my tax-deductible contribution of:
